US 41 Project lane closures for March 3 – March 7

Traffic restrictions in Brown and Winnebago counties

(Green Bay) The Wisconsin Department of Transportation (WisDOT) Northeast Region office in Green Bay is announcing US 41 Project lane restrictions for March 3 – March 7 in Brown and Winnebago counties. Drivers should be aware of 11-foot wide lanes and reduced speed limits in both counties and remember to use caution while traveling through any work zone. Details of all closures are included below.

Brown County

US 41

Drivers should anticipate various overnight single lane closures on southbound and northbound US 41 along the entire Brown County corridor from south of Scheuring Road to Lineville Road. Lane closures can vary along the corridor, so drivers are urged to stay alert, pay attention to road signs, slow down and use caution when entering any work zone. The US 41 Project plans to have at least one lane of traffic open at all times on both northbound and southbound US 41 during construction. This does not include closures by local authorities for accidents or unusual incidents (such as weather).

Hansen Road Bridge with full closures of US 41

Due to the Hansen Road bridge girders being erected over US 41, drivers can expect multiple ramp closures and full closures of US 41. The following closures will take place:

Tuesday

- Northbound US 41 on-ramp from Oneida Street will be closed overnight from 7 p.m. to 6 a.m.

Wednesday and Thursday

- **Full closure of southbound US 41**, between WIS 172 and Oneida Street, will be closed nightly from 7 p.m. to 5 a.m. with the following detour:
 - **Southbound US 41 traffic** will be detoured off at WIS 172, take WIS 172 east to Vanderperren Way, follow Vanderperren Way east to Ashland Avenue and take Ashland Avenue south to southbound US 41
- Southbound US 41 on-ramp from eastbound and westbound WIS 172 will be closed nightly from 7 p.m. to 6 a.m. The following detours will be in place:
 - **Eastbound WIS 172 traffic** seeking southbound US 41 will exit at Vanderperren Way, take Vanderperren Way east to Ashland Avenue, follow Ashland Avenue south to southbound US 41
 - **Westbound WIS 172 traffic** seeking southbound US 41 will be detoured off at Pilgrim Way, take Pilgrim Way east to Ashland Avenue and follow Ashland Avenue south to US 41

Thursday

- **Full closure of northbound US 41**, between Ashland Avenue and westbound WIS 172, will be closed overnight from 7 p.m. to 5 a.m. with following detour:
 - **Northbound US 41 traffic** will be detoured off at Ashland Avenue, follow Ashland Avenue north to Pilgrim Way, take Pilgrim Way west to westbound WIS 172 on-ramp, and take westbound WIS 172 to northbound US 41
- Northbound US 41 on-ramps from County G and Oneida Street will be closed overnight from 7 p.m. to 6 a.m.

Winnebago County

US 41

Drivers can anticipate full overnight closures of northbound and southbound US 41, between US 45 and WIS 76, Monday, March 3 through Thursday March 6, **NIGHTLY** from 9 p.m. to 5 a.m. for demolition of the County Y overpass. In addition, the northbound US 41 on-ramp from US 45 and the southbound US 41 on-ramp from WIS 76 will also be closed during this timeframe. The following detours will be in place

- **Northbound US 41 traffic** will be detoured off at US 45, take Algoma Boulevard south to Murdock Avenue, follow Murdock Avenue east to WIS 76 and take WIS 76 north to US 41
- **Southbound US 41 traffic** will be detoured off at WIS 76, take WIS 76 south to Murdock Avenue, follow Murdock Avenue west to Algoma Boulevard, take Algoma Boulevard north to US 41

The scheduled bridge demolition is part of the upcoming construction on the County Y and GG overpasses. **County Y and GG overpasses will be closed beginning Monday morning, March 3 in Winnebago County.** Construction is expected to be completed by mid-August.

###

All lane restrictions and work operations are weather dependent and subject to change.
